Re: Production Resource Group L.L.C. v. Bosch Rexroth Corp.
07 CV 2936 (PKC)

Dear Judge Castel:

This firm is counsel to Production Resource Group L.L.C., the Plaintiff in the above matter. We write to request an adjournment of the case management conference currently scheduled for Wednesday December 27, 2007 at 10:00 a.m. Neil G. Marantz, the partner in charge of this matter for Plaintiff, will be out of town. We have learned that Arnd N. von Waldow, the partner in charge of the matter for the Defendant, will also be out of town on that date and that yesterday the Court granted him permission to participate in the conference by telephone upon reviewing his letter application. Such letter application was made without any discussion between counsel and it appears that a joint application for an adjournment would have been a more practical approach.

I called Neil Rosolinsky, Esq., who is in essence local counsel for the Defendant; he advised that he could not consent to the adjournment and that he was unable to reach Mr. von Waldow, who is currently out of the country.

We would very much appreciate the Court's accommodation of our schedule given the holidays and request only a brief adjournment until sometime in January, naturally at the court's convenience.

Respectfully submitted,

Michele V. Ficarra
